

3M™ Health Care Academy

What is 3M Health Care Academy? It's an education platform that offers free courses for health care, oral care, food safety and water purification professionals around the globe. When you sign up for a free account, you receive access to hundreds of on-demand courses, many of which are eligible for continuing education credit.

3M Health Care Academy Mobile Login

1. Visit the Apple app store or Google play store to download the 3M Health Care Academy app

2. Open the 3M Health Care Academy app
3. Select your location (Country – language)

Need assistance? The 3M Health Care Academy Support Team is here to help.

3M™ Health Care Academy

4. Log into 3M Health Care Academy using your User Name and Password

To access the course, you must log in with a @Fastenal.com email address

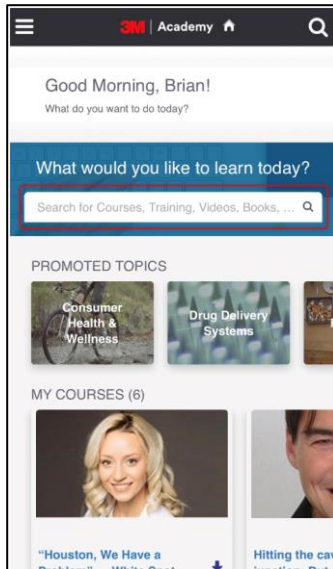

The screenshot shows the 3M Health Care Academy login interface. At the top is the 3M logo. Below it is the text '3M™ Health Care Academy'. The 'Login' section contains a 'User Name' label and an input field, followed by a 'Password' label and an input field. A 'LOGIN' button is positioned below the password field. At the bottom of the login section are three links: 'Don't Know Your User Name?', 'Don't Know Your Password?', and 'Change Password'. Below these links is a 'REGISTER' button.

5. If prompted, enter a PIN of your choice.
- This pin will be used for offline viewing of courses

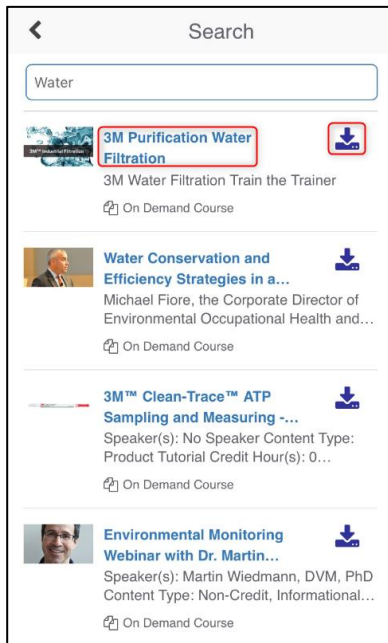

The screenshot shows the 'SETUP OFFLINE PIN' screen within the 3M Academy app. The header displays the 3M logo, the word 'Academy', and a home icon. The main content area has a dark background. It features a white card with the title 'SETUP OFFLINE PIN'. Inside the card, there is a user icon and the email address 'bwhipple@mmm.com'. Below this is a 'PIN' label with a lock icon and an input field. At the bottom of the card is a large grey button labeled 'DONE'.

3M™ Health Care Academy

6. Enter *Water* into the search box

7. Select 3M Purification Water Filtration link or the download link to view later
